

Energy Dashboard

Educate. Evaluate. Earthright.

Be proud of your building's efficiency. Use the Earthright Energy Dashboard to communicate your real-time and year-to-year energy conservation results with your occupants. Get people involved with your energy conservation efforts using an interactive dashboard in your building's lobby or other public areas. Promote conservation, gain LEED points, and make your impact known.

Show off your building's green initiatives while actively conserving energy.

Key Features

Single Installation. Multiple Viewing Platforms.

- Interactive kiosks
- Lobby displays
- Web browsers

Custom Setup

Show off the green initiatives that are important for your facility. Display conventional utilities such as electricity, water, and gas, or customize the display to show utilities such as steam.

Do it right.
