

O₃ Sensor Hub

Think. Sense. Speak.

With a top-down view from the center of the room, the O3 Sensor Hub detects motion, sound, light, and temperature with new levels of accuracy. With a complete sensor package, O3 provides your BAS with the data it needs to make economical and occupant-friendly decisions.

Use sensor fusion to detect motion, sound, light, temperature, and occupancy with new levels of accuracy.

Key Features

Detect occupancy using sound and motion

Communicate with occupants via RGB light ring and integrated speaker

SENSOR FUSION

Measure surface temperatures precisely with IR sensors

Combine temperature, humidity, light, and motion in a single package

Save time with easy-to-install mounting plate

Do it right.
