

# enteliTOUCH

## Touchscreen Building Controller

Get instant access to the heart of your BAS. The enteliTOUCH has a 7-inch, high-resolution display that serves as an interface to your building. Use it as your primary interface for smaller facilities or as an on-the-spot access point for larger systems. The intuitive, easy-to-navigate interface gives instant access to manage your BAS.

Control your building with customizable and intuitive graphic navigation.

## Key Features

### Customized Experience

The enteliTOUCH provides customizable and intuitive graphic navigation of your system.

### All the Options You Need

The enteliTOUCH comes with a temperature sensor and optional motion sensing.

### Flexibility Defined

Add-ons provide web server capabilities or turn the enteliTOUCH into a wireless hub for other devices.

**Do it right.**
