

# SOCIAL MEDIA

Delta Controls is highly active in social media on LinkedIn, Twitter and YouTube. Follow, like and subscribe on all of our feeds to keep up to date with the latest from Delta. This also helps you show your customers what products you're bringing to your markets and what events you'll be attending or think are important to know about.

Did you know? We also post our most important news items on <https://deltacontrols.com/news-events/>! Use links from our site to promote items with your customers or keep your organization informed. There's no password required, so spread the word!

Delta Controls is regularly getting published in the news and industry publications. The best way to find out about it is from our social media feeds and in our News and Events section of the website. If you're not following along, you're missing out on valuable sales tools to show that Delta Controls is one of the strongest voices in the industry today.
